

Looking for an Effective Way to Mobilize Believers to Be On Mission?

How does your Association benefit from conducting an On Mission Celebration?

Royce Sweatman on *On Mission Celebrations*:

“*On Mission Celebrations* helps to raise missions awareness to a new level resulting in people being mobilized to be on mission with God. Our association conducted an *On Mission Celebration* in 1999. Since then we have seen six people make commitments to be International Mission Board missionaries and over 400 members of our churches participate in short term mission projects throughout the world.” Royce Sweatman, ADOM, North Arkansas Baptist Association
